Dear Dan:

Thank you for participating in our Fall Policy Conference Private Property Rights Concurrent Session last month. Eminent domain and inverse condemnation are receiving unprecedented attention this year and your presentation was instrumental in our efforts to present timely and accurate information on these two issues to county officials.

Having such a distinguished panel of experts discuss their experiences contributed greatly to the success of this important session. We appreciate your contribution and willingness to volunteer your time.

We look forward to working with you again in the future and hope, in the meantime, you will call on us if we can ever be of any assistance.

Sincerely,

Matthew Hicks
