Dear Dan,

RECon 2009 has been overwhelmingly positive.

The feedback we have received from educational sessions this year were some of the best we have ever offered and that was due solely to speakers such as yourself.

Thank you for sharing your insight and expertise with conference attendees. We want you to know we sincerely appreciate your participation.

ICSC thanks you, and more importantly the attendees who benefited from your presentation thank you. RECon is all about providing attendees with a strong pillar for business and professional success. Thank you for helping us accomplish this endeavor.

I hope you had an enjoyable experience and look forward to working with you again in the future.

Best Regards,

Lorraine Mazza
